Notes

†Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's New Car Assessment Program (NHTSA.gov) ‡ To qualify for 2025 IIHS TOPSAFETY PICK+, a vehicle must earn good ratings in the small overlap front, updated side, and updated moderate overlap front tests. It also must earn an acceptable or good rating for pedestrian front crash prevention and come with standard acceptable- or good-rated headlights. For vehicle test details visit www.iihs.org. © 2026 Volkswagen Canada. Items, specifications, availability, standard features, options, fabrics, and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction, or other road system changes which are beyond the control of Volkswagen Canada.
